THE RED CROSS and brought to the event

The American Red Cross shelters, feeds and provides emotional support to victims of disasters; supplies nearly half of the nation's blood; teaches lifesaving skills; provides international humanitarian aid; and supports military members and their families. The Red Cross is a charitable organization - not a government agency - and depends on volunteers and the generosity of the American public to perform its mission.

The Striped Umbrella, an Art and Design Workshop in Black Rock, CT, was founded by Olivia Munroe in 1995.
